# 50 Years Of Experience

- Jutrix story is written from the biggest Eastern European picture tubes producer **AB Ekranas** stamping department in 1962.
- In 2003 after Ekranas reorganization, **UAB Ekmecha** was established. Company provided a wide range of design and engineering services, as well as stamping and equipment production.
- And finally, from 2006 **Jutrix** took over previous activity in stamping and today ensures the continuity of old and creation of new traditions, experience and professionalism.
