

## **PROFILES CUTTING AND DRILLING**

For us, precision and productivity are top priorities.

Regarding that, we are proud to have a cutting and drilling line fully automated through CNC technology allowing 24000 mm x 610 mm x 450 mm maximum material size, including:

## I PRODUCTION CAPACITY: 300 TON / MONTH

- Accuracy, versatility, and reproducibility of our products
- Easy-to-use for operators reducing the chance of errors
- Fast track cutting service
